MORE WOMEN VOTERS HERE; GOP LEAD CUT

Women now outnumber men voters in Gettysburg, according to the list of voters eligible to cast ballots in the November primary.

Completion of the new list of registrants by Ray J. Snyder, clerk of the county election board, today showed Gettysburg now has 1,803 women voters and 1,696 male voters, the first time in history that the women have outnumbered the men at the polls in the borough.

County-wide the males still outnumber the females when it comes to registration but the "girls" are gaining fast. There are 11,821 men and 10,679 women registered.

Democrats Gain
The new registration figures also show the Democrats continuing to gain on the Republicans. The Republican party which had a 1,277 majority at primary time and a 1,431 majority at the last general election, now holds a 959 lead over the Democrats. The Republicans pulled ahead of the Democrats in the registration list 19 years ago and have remained ahead, although the majorities which one ranged up to 3,000 have been whittled down in the last few years.

A total of 22,341 persons are registered to vote in the coming election—the second largest number of voters in the county's history. The biggest registration was for the 1958 general election when 22,667 were enrolled. By 1959 primary time that number had dropped to 21,029 and then gained 1,312 since to come up to the 22,341 figure.

The list shows 5,962 Republican men, 5,532 Republican women; 5,692 Democratic men and 4,850 Democratic women on the rolls. There are also 164 men and 144 women listed as nonpartisan, four Socialists and one Social Justice voter in the county.

The complete tabulation of the registration will be published next week.

WORK STARTED AT COLLEGE ON NEW INFIRMARY

Excavation work is underway on Gettysburg College's new infirmary located on the south side of West Broadway facing the baseball field.

A. R. Warner and Company of Waynesboro is the contractor. The cost of the new building is approximately \$150,000. It is scheduled for completion early in 1960. The one-story structure of steel and masonry construction will harmonize architecturally with other recent new buildings on the college campus.

The east and west wings will be at angles connected with the central portion of the structure.

Beds For 26

The new infirmary will have a bed capacity for 24 persons. An isolation ward will take care of an additional two persons. Besides the patients' room, facilities include a kitchen, dispensary, doctor's office, examining room, treatment room, utility room, nurses' office and rest room.

Interior specifications call for terrazzo floors and acoustical tile ceilings in the vestibule and corridors. Asphalt tile floors will be laid in all patients' rooms and quarry tile for the kitchen floor. Ceramic tile will be used for the wainscot in corridors, kitchen, men's and women's toilet rooms. Walls will be finished in plaster. The full-time infirmary staff includes one physician and two registered nurses.

The college trustees have not decided what will be done with the old infirmary now in use on W. Lincoln Ave. after the new infirmary is completed.

WILL BRIGHTEN CHRISTMAS FOR KOREAN KIDS

Gettysburg and Adams County folk are being given an opportunity to brighten Christmas for needy children in Korea through the county chapter of the Red Cross and an Army chaplain stationed with the 2nd Battle Group, in Korea.

Capt. Donald M. Covington, chaplain for the 12th Cavalry, has written to the Red Cross here asking help on the Christmas project and the Red Cross as offering to pack and ship to Chaplain Covington any gifts of clothing or toys for the Korean kiddies.

Donations will have to be received before October 25 for the shipment must be made by that date to insure delivery in the army post in Korea. Chaplain Covington's letter, dated September 1, follows in part:

"We are making plans to share our Christmas with the many needy children who live near our battle positions here in Korea. Last year many gifts of clothing and toys were sent by friends and church groups. On Christmas Day the children were brought into our compound and met their American friends for the day."

"The needs of the children are great this year as last, we are asking you to share in this Christmas with us. Any clothing you may have for children two to 14 can and will satisfy a great need."

Members of the battle group, Chaplain Covington said, are writing to friends and organizations at their homes in this country to help on the Christmas project. He concludes his letter with wishes for "a very blessed Merry Christmas."

REBERTS SUE FOR DAMAGES

Perren W. and Grace E. Rebert, Seven Stars, have brought an action in trespass against William G. Egger and J. W. Weiland, Pittsburgh, for damages caused October 23, 1958, when a truck tractor left the Lincoln Highway and crashed into the Rebert home.

According to the complaint filed for Mr. and Mrs. Rebert with the county prothonotary's office by Attorney H. Thomas Pyle, Egger was driving a tractor-trailer owned by Weiland west on Route 30 when the truck left the highway, struck a utility pole, plowed through a hedge and trees and crashed into the porch at the Seven Stars dwelling of the Reberts.

When the power pole struck by the truck broke, a severed live wire fell across the roof of the Rebert barn, burning away the paint and tar on it. The truck allegedly tore down 40 feet of hedge at the front of the Reberts' lawn, ripped 50 per cent of the limbs off one 50-year-old 40-foot high maple shade tree and a large number of limbs from two other similar trees, cut cuts in the lawn, broke the concrete steps and sidewalk in front of the home, damaged the concrete piers at the front and damaged the spouting and roof of the front porch and the house.

The Reberts, in their complaint, alleged \$210 damage was done to the steps and sidewalk, \$500 to the trees, \$125 to the hedge, \$75 to the lawn, \$75 to the porch piers, \$150 to the spouting and \$525 to the barn roof which had to be repainted and repaired.

They ask total damages of \$1,660.

Cleason Stoner and Emery Sibert continue unexpired terms as directors, together with retiring President Wilson who serves a one-year term as a director. These officers will be installed at the December meeting.

Plans were discussed for the Ruritan district convention to be held at the Hotel Gettysburg on Saturday, October 24. The Hunterstown club will serve as convention hosts to the several hundred delegates attending this convention from Pennsylvania, Maryland and West Virginia. The newly-elected officers and directors will serve as the local club's official delegates to the convention. The convention program is to be announced later.

One section of the ordinance provides that no building permit shall be required for buildings and other structures to be used exclusively for agricultural purposes on land used solely for agriculture, excepting buildings that are placed on permanent foundations.

The ordinance will provide for a fine of up to \$100 or 10 days in jail for violations of the ordinance.

19 CIVIL SUITS ARE LISTED FOR OCTOBER COURT

Nineteen civil cases are scheduled for the October term of court, scheduled to start October 12, according to the trial list prepared by Prothonotary Herbert W. Miller.

Six of the suits, all pertaining to an automobile accident December 25, 1957, one mile east of Littlestown on the Hanover Rd., in which a Hagerstown couple and a Littlestown R. 1 man were fatally injured, are scheduled to be heard as one trial, according to the prothonotary's office.

Attorneys in the six cases include the law firm of Bulleit and Bulleit, Attorney Donald G. Oyler, the law firm of Brown, Swope and MacPhail, the law firm of Bigham and Raffensperger and Attorney Eugene R. Hartman.

Involved Actions

Involved in the cases are Lucy G. Eller, Littlestown R. 1, as widow and administratrix of the estate of Lloyd E. Eller, one of the persons fatally hurt and as trustee for her son, David Allen Eller, surviving child of Lloyd E. Eller; Robert W. Yingling, Littlestown R. 1, and Margaret R. Bailey, Hagerstown, as administratrix of the estate of John M. Spangler, her brother-in-law, one of those fatally hurt, as administratrix of the estate of Ruth D. Spangler, her sister, also fatally hurt, and as guardian for the four Spangler children, Rebecca A., Judith E., John M. Jr. and Sarah J. Spangler.

The three deaths resulted from a collision between a car owned by Yingling and either operated by Yingling or Eller, depending on which complaint is read, with a car in which Mr. and Mrs. Spangler and their children were occupants, with Mr. Spangler driving. The different complaints allege different drivers were on the wrong side of the road.

Because of the naming of additional defendants in some suits, those suing in some cases are also suing themselves.

The first suit is that of Mrs. Eller against Yingling and Mrs. Bailey as administratrix of the John Spangler estate. The second is by Mrs. Bailey as administratrix of the John Spangler estate and for the Spangler children against Yingling, and against Mrs. Eller's estate. The third is Yingling against Mrs. Eller. The fifth suit is that of the Spangler children, by their guardian, Mrs. (Continued On Page 3)

Rescue Ten Fliers After 12 Hours In Pacific Ocean

SEATTLE, Wash. (AP)—Ten wet and weary Navy airmen were plucked unharmed from the tossing Pacific Ocean early today, nearly 12 hours after they had ditched their twin-engine patrol plane.

A massive rescue operation went like clockwork, despite foul weather, darkness, fog and the fliers' position—110 miles off the mouth of the Columbia River. The ten, crammed into a pair of well-outfitted rubber life rafts, were pulled to safety aboard the Coast Guard cutter Yoonona from Astoria, Ore. The freighter Olympic Pioneer had reached the scene only moments before and stood by as the men were hauled from the sea at 12:50 a.m., PST.

Planes Hover Above

Hovering above were four Navy and Coast Guard planes, their powerful searchlights cutting through a heavy overcast onto the drama unfolding below.

The cutter radioed Coast Guard headquarters here that the air-

TWO INJURED WHEN CYCLE CRASHES AUTO

Two men were injured when their motorcycle collided with a car and another man escaped injury when he drove his auto into an embankment to avoid crashing into a truck, according to reports by state police of the local substation on accidents during the last 24 hours.

Mitchell K. Granelli, Hoboken, N. J., was driving his car down hill on the Sunshine Trail near Fountaldale at 2:30 o'clock this morning when he saw two trucks coming up the hill—the one attempting to pass the other, he told police.

Granelli said he swung his auto to the right to avoid colliding with the trucks and his vehicle, after climbing part way up the embankment, rolled over, causing \$800 damage to the auto while Granelli escaped injury.

Two Cyclists Injured

Frantz Martin, 22, Littlestown R. 2, and James K. Rorser, 30, of 66 Ridge Ave., Hanover, were injured when their motorcycle collided with a car near Bonneville on the Hanover Rd. at 8:35 o'clock Friday morning.

State police said Martin was driving his motorcycle west with Rorser as passenger when they came upon a slow moving car. Unable to halt, Martin swung the motorcycle into the eastbound lane and it collided with an east-bound auto operated by Pearl M. Keckler, 30, Gettysburg R. 2. Damage was estimated at \$400 to the car. The motorcycle was demolished.

Martin suffered bruises of the right leg and cuts of the face and arm. Rorser had cuts of the left leg, arm, head and back.

FALL PRODUCE FILLS STANDS AT MART TODAY

All of the signs of fall were on hand this morning at the Farmers' Market with blue and purple plums, golden pumpkins, Smokehouse apples, green and yellow squash, Bartlett pears, sweet potatoes, quinces and autumn flowers dominating the stands while late peaches and roasting ears made what may be their last stand of the season.

Customers were asking about and placing orders for fresh pork and farmers promised it "as soon as the weather stays cool."

There were only a few peaches on hand in late varieties that sold for 35 cents a two-quart box and 50 cents a half peck. Seckel pears were 30 cents a quarter peck and 50 cents a half peck. Bartlett pears were 20 cents a quart box.

Plums were 20 cents a quart box and the late sweet corn brought 35 and 40 cents a dozen ears. Sweet potatoes were 30 cents a box while Irish potatoes were 20 cents a quart box and \$1.25 a half bushel. Quinces, which made their bow last week, brought 25 cents a quart box. Red and yellow tomatoes were offered at 20 and 25 cents a box.

Fall Flowers Too
Gourds were five cents each; red beets, 15 cents a box; parsley, five cents a bunch; cooked pumpkin, 20 cents a pint; peppers, two for five and five cents each, depending

men, three officers and seven enlisted men, were in good condition but suffering from exposure and exhaustion. None was injured in the ditching or during the tricky transfer from the life rafts to the cutter.

The freighter, which had changed course toward the fliers while en route up the coast to Seattle, was allowed to proceed after a "well done" from the Coast Guard.

Engine Catches Fire

Rescue operations moved into full speed as soon as the PSM patrol plane radioed an SOS that one of its two engines was afire. The craft, a Marlin, was on a routine coastal patrol from Whidbey Island, Wash., Naval Air Station.

The plane steadily lost altitude as its pilot, Lt. James B. Henson, 27, of Peary, Ark., fought desperately to make it to land. Henson finally sent word he had to ditch, radioed his position and the (Continued On Page 3)

Nikita Sergeevich Khrushchev, chairman of the Council of Ministers of the Union of Soviet Socialist Republics, flew to Camp David, the Catoclin Mountain retreat of the President, Friday afternoon for a weekend of talks with Mr. Eisenhower.

The bald, rotund premier of Russia appeared in a jovial mood as he drove up to Aspen Lodge with President Eisenhower in a shiny, black limousine. He was wearing a light tan, single breasted suit, white shirt, brown tie, brown socks and shoes. On his left lapel were Red Star medals and on his right lapel a gold Lenin Peace Medal. He broke into a toothy smile when he saw the 50 reporters and photographers crowded along the black top driveway. The two world leaders faced the battery of lensmen, standing on a sloping flagstone walk that led to the man entrance of the lodge.

Recalled Garst Incident
As the flashbulbs flared, Khrushchev laughed and said:

"It's lucky Mr. Garst isn't here. He would have tried to organize this thing in his own way."

Khrushchev was referring to the incident at Coon Rapids, Iowa, when he visited the farm of Roswell Garst who had visited the premier in Moscow some time ago. The Iowa became angry at photographers who crowded too close to him and his guest. He kicked one photographer in the seat of his pants, threw silage at another and one of his hired hands raised a pitchfork and threatened to use it if the photographers advanced any further.

Used Two 'Copters

Khrushchev spoke in Russian and his interpreter, Oleg Troyanovsky, translated it into English and everyone had a good laugh, including the President.

Mr. Eisenhower was natty in a dark suit, dark hose and shoes, white shirt and dark tie. He towered a half-head or more above his guest.

The two men arrived at Camp David at 5:52 p.m. in a helicopter. A few minutes earlier another 'copter dropped down and Secretary of State Christian Herter, Ambassador to the United Nations Henry Cabot Lodge, and the Russian foreign minister, Andrei Gromyko, stepped out.

"All Quiet"

Herter and Lodge, hatless, in gray suits, were all smiles. Gromyko, in a dark suit, tightly buttoned, wore a hat and carried a topcoat folded over his arm. He looked dour, almost mask-like. After they posed for a few pictures, they entered the lodge.

When the President looked around the mountain top he said: "Everything seems to be quiet all along the front," and Khrushchev said: "All the soldiers are peacefully inclined." Then the two men entered the lodge, the door of which was flanked by two brass lions. It was 6 o'clock.

30 Newsmen Admitted

Aspen Lodge, the main building at the 1,800 foot high retreat, is a four-bedroom, four-bath, one-story building. It is comfortably furnished. Here four men will spend the weekend, the President, Khrushchev, Gromyko and Herter. The other guests, Lodge, Russian Ambassador to the U. S. Mikhail Menshikov, U. S. Ambassador to Russia Llewellyn Thompson and others will be housed in other lodges nearby. They will confer at Aspen Lodge.

Fifty reporters and photographers, including a Gettysburg Times reporter, were admitted to the camp. Most of them were driven to Camp David in a motor convoy from Washington. A few met the caravan at the outer gate to the mountain retreat and rode to the top of the mountain for the brief greeting. The remaining 250 members of the

CALL WITNESS IN EXTORTION TRIAL TODAY

BEAVER, Pa. (AP) — The defense prepared to summon its first witnesses today in the extortion trial of former State Sen. Samuel G. Neff and three other men.

Defense Atty. Louis Glasco, outlining his case Friday, told the jury he will prove the defendants innocent of charges of extortion and conspiracy to extort.

Neff is on trial in Beaver County Court along with Robert Yoho, Leon Kaleta and James Macry, all former employees of the State Highways Dept. in the county.

The four are accused of soliciting and collecting five per cent kickbacks from contractors leasing highway equipment to the state.

Dismiss Two Counts

Before the defense opened, Judge Morgan H. Sohn threw out two of four counts against each of the defendants. These counts dealt with alleged kickbacks during Neff's tenure as manager of the State Workmen's Insurance Fund.

Judge Sohn ruled the state had not produced sufficient evidence to support the counts.

The two remaining counts against the defendants allege that they accepted kickbacks while Neff was Democratic chairman in Beaver County.

Neff was fired last June as manager of the State Workmen's Insurance Fund after the auditor general's office released a report on the results of an investigation in Beaver County.

Another member of the class is Patricia Yoo, daughter of Yoo Dong Sung of Seoul, Korea. Miss Yoo is a graduate of Gettysburg High School and resides at 524 York St.

Three members of the sophomore class are also residents of Gettysburg. They are Gabriel Deutsch, son of Mr. and Mrs. Steven Deutsch, 628 Fairview Ave.; Joan E. Stoner, daughter of Dr. and Mrs. David C. Stoner, Oak Ridge, and Harold G. Whisler, son of Mr. and Mrs. Glenn C. Whisler, R. 5.

ANCHORAGE, Alaska (AP) — A ground party which clawed its way up an unnamed peak in the wild Aleutian Islands Friday reported that all 16 persons aboard had been killed when an airliner smashed into the mountain Thursday night.

Only the tail section of the Reeve Aleutian Airways DC-4 remained intact after the four-engined craft exploded into flames on impact at the 2,000-foot level of the mountain, on Great Sitkin Island, a volcanic island 24 miles northeast of Adak.

Most Counties Are Assessed Higher

Most counties in the state that have re-assessed their real estate within the last few years in compliance with state law have a higher ratio between assessed values and market values than does Adams County.

Adams County commissioners have decreed that real estate shall be assessed at 25 per cent of its fair market value. Three other counties have set the same ratio — Bedford, Greene and McKean. Only three others use a lower percentage. They are Elk, Mifflin and Somerset where the real estate valuation is 20 per cent of market value.

All the other counties that have re-assessed use a higher percentage. They range up to 60 per cent in Northampton while Warren, Tioga, Montour, Fulton, Crawford, Cameron and Bradford range from 30 to 40 per cent.

The tabulation of tax statistics is made in the September issue of The Bulletin, the publication of the Pennsylvania State School Directors Association, and is based on reports made to the state as of June 30.

NEW TENSION FEARED OVER TIBET ISSUE

By TOM HOGE
UNITED NATIONS, N.Y. (AP) — A drive for a full-scale debate on Tibet stirred concern in the United Nations today that East-West tensions will be tightened up again.

Diplomats also feared the move will dredge up the whole question of Red China's representation in the United Nations. The Assembly voted only a few days ago to shelve the Red China issue for another year.

Ireland and Malaya disclosed Friday that they plan to call for a resolution charging Red China with killing freedom in Tibet and demanding "respect for fundamental human rights" for the Tibetans.

Expect Debate
One delegate predicted that as soon as the request to put the Tibetan issue on the agenda hits the 21-nation Steering Committee, demands will arise that Red China be invited here to give her side of the case.

The United States and other Western nations presumably would oppose any move to invite Peiping as they have done when the Korean question was debated here.

The move to bring in Tibet came after an appeal for United Nations help from the Dalai Lama, self-exiled ruler of the Himalayan nation.

DODGERS CAN COP PENNANT BY WIN TODAY

Associated Press Sports Writer
CHICAGO (AP)—The Los Angeles Dodgers could win the National League pennant today or possibly come out with a tie.

With two games left to play, the Dodgers can assure themselves of a tie for the flag by defeating the Chicago Cubs and if Milwaukee should again lose to Philadelphia, the Dodgers would win it all.

Los Angeles Manager Walt Alston, after learning Milwaukee had lost to Philadelphia 6-3 to give his club a game lead, said Friday night:

"I'm not going to do any popping off. I said before we opened this big three-game series that if we lose one, we'd have a good chance. If we lost two we'd be out of it and if we won three we'd have a good chance of taking it all.

Have To Win Two
"Of course," continued Alston, "It helps to know Milwaukee lost but we're not taking anything for granted. We still have to win these last two games."

The Dodgers helped themselves to their enviable position of a full game lead by defeating the Chicago Cubs 5-4 in 11 innings Friday on Gil Hodges' homer.

Hodges' error in the 10th inning put Los Angeles in a spot and it took some fancy relief pitching by Larry Sherry to get the Dodgers out.

CALL ON PENNS TO SPEAK UP

A misstatement in a deed written 21 years ago has caused the late John and Richard Penn to get into another lawsuit in Adams County court.

The Penns, "their heirs or assigns" are legally involved occasionally in the county and throughout the state when descriptions on a deed become fouled and the law has to notify everybody back to the beginning of Pennsylvania.

The plot of ground in question, in McSherrytown, once owned by the Penns, is the property on Sixth St. bought by Fred C. Riley, late of Cumberland Twp., in 1938 from Joseph H. Eline, McSherrytown, now also deceased.

According to the action to quiet title filed by David A. and James F. Riley, executors of the Fred C. Riley estate, Fred C. Riley took over the property in 1938 after he had bought it from Eline and continued in its exclusive use until his death.

However when the executors sought to dispose of the property it was found that the description on the deed did not fit the property.

As a result all of the Elines and others back to the Penns are "commanded to" either state their say at this time, or their silence will be taken to represent that the property is as Riley thought it was when he bought it.

Sharrer Cases Up

Two other suits are to be combined in one trial; those of Melvin M. Sharrer, New Oxford R. 2, against Baxter Paul Harmon and Clyde H. Funt, Arendtsville. In the one case Mr. Sharrer is plaintiff in his own right and in the other is administrator of the estate of his wife, Susanna M. Sharrer, fatally injured in an auto crash which occurred February 4, 1957, one-fourth mile south of Biglerville when cars operated by Harmon and Funt are alleged to have been racing and the Harmon car struck the Sharrer vehicle. Attorney Donald G. Oylar represents Sharrer in both suits; Biglerville and Rappensperger and Brown, Swope and MacPhail represent Harmon and Funt.

Other suits listed for trial include:

Sadie and Earl Burke, Thurmond, N. C., an action in trespass against Shirley B. Nissen, Toledo, Ohio, based on an accident November 23, 1955, at the old York Springs intersection between a car and trailer operated by Burke south on the Harrisburg Rd. with Mrs. Burke as passenger, and a station wagon operated west by Mrs. Nissen on the Carlisle-Hanover Rd.

State Take Appeal

The state is appealing the report of the viewers in the award of damages to Kent E. and Dorilyn S. Golden, Latimore Twp., near York Springs, in another case listed for trial. Early Settlers**

By B. F. M. MacPHERSON

By B. F. M. MacPHERSON

The Weakley FamilyThe historical and genealogical
study of the Round Hill Graveyard
(Presbyterian) is continued at this
time with the outline of the gene-
alogy of the Weakley family. It
will be remembered that William
Weakley was the donor of the
land for the Round Hill Church
and burial ground.As stated in last week's column
James Weakley, the pioneer an-
cestor of the clan, and his wife,
Jean (or Jane), are buried in the
church yard of the Meeting House
Springs. The old Presbyterian
Church that once stood at this
site, sometimes called the Church
of Upper Pennsboro, was built
prior to 1735. All trace of this old
log structure had long since dis-
appeared but the old burial
ground, enclosed by a stone wall,
still remains to mark the spot.
The inscriptions from the stones
at the Weakley graves are as fol-
lows:—1. "Here Lies the Body of
James/ Weakley, who Departed
this/ life June 16th, 1772, aged 68
years."
2. "Here Lies the Body of Jean/
Weakley, Wife of James Weak-
ley/ Who Departed this life Nov./
30th, 1768, Aged 57 years."
3. "The Memory of/ James/
Infant Son of/ Samuel and Hetty
Weakley/ who Departed this Life/
September the 4th/ 1777/ Aged 13
Months."**Died Unmarried**Note:—The James Weakley,
who died in 1777, was a grandson
of James I. and Jane Weakley,
the son of Samuel Weakley and his
wife, Hester Lusk.James I. and Jane (or Jean)
Weakley were the parents of
eleven children—listed in the Fam-
ily Bibles—as follows:—
1. Agnes Weakley—no further
record—believed to have died un-
married.2. William Weakley—born 1738
—married Jane Ellett—buried in
the Round Hill Presbyterian
Graveyard.3. Mary Weakley—married . . .
McCurdy.4. Jane Weakley—born 1744—
married David King—died May
17, 1820.5. Martha Weakley—married
Samuel Gillespie.6. Isabel Weakley—no further
record.7. Nathaniel Weakley—married
Margaret Anderson—died 1800.8. Robert Weakley—married
Elizabeth Gillespie—died 1798.9. Edward Weakley—born Jan-
uary 19, 1743—married Margaret
Lightcap.10. James Weakley Jr.—born
1740—married April 27, 1775—to
Rebecca McKinley—died January
20, 1820.11. Samuel Weakley—born Oc-
tober 11, 1751—married September
21, 1775 to Hester Lusk—died Feb-
ruary 10, 1829.**Settled On Plantation**William Weakley, the son of
James I and Jane (or Jean)
Weakley, came as a young man
to what is now Adams County,
Pennsylvania, and settled on a
plantation at the Round Hill. It
is not known whether or not he
was married at the time he moved
to this locality but it is reasonable
to assume that he found his wife,
Jane Ellett, in Cumberland County
for persons of that name were
pioneer settlers in that section.
William Weakley was one of the
members of the Great Conewago
Presbyterian congregation who
disagreed with "the majority"
regarding the site of the meeting
house. Apparently he actively
encouraged the formation of
another separate congregation for
he gave the land for the Round
Hill Church and graveyard.In the old burial ground at
the Round Hill there are a number
of Weakley graves — both marked
and unmarked. The inscriptions
from the stones at the Weakley
graves are as follows:1. "In memory of/ Mary
Weakley/ Died October 3, 1847/
Aged 80 years, 11 months/ and
21 days."Note:—Mary Weakley was the
daughter of William and Jane
(Ellett) Weakley.2. "In memory of/ James
Weakley/ Died August 18, 1822/
Aged 54 years."Note:—James Weakley was a
son of William and Jane (Ellett)
Weakley and a brother of the
Mary Weakley mentioned above.

James Weakley died unmarried.

3. William Weakley/ Died
August 22, 1813/ Aged 71 years."4. "In memory of/ William
Weakley/ Died April 9, 1809/
Aged 67 years."5. "In memory of/ Nancy/
daughter of/ William & Jane
Weakley/ Died August 29, 1801/
Aged 25 years."**Had Eight Children**Note:—The daughter of
William and Jane (Ellett)
Weakley, Mary Weakley died
unmarried.William and Jane (Ellett)
Weakley were the parents of eight
children, who are also listed in
the Family Bible — as follows:—1. Rebecca Weakley — born
July 27, 1773 — married Thomas
Craighead in November 1796 —
died August 21, 1858. Thomas
Craighead, the husband of Rebecca
Weakley, died November 22, 1852.2. Rachel Weakley — born 1772
— died November 8, 1861 —married Dr. John B. Arnold. Both
Dr. John B. Arnold and his wife,
Rachel Weakley, are buried in the
old Round Hill burial ground and
the inscriptions from the mark-
ers at their graves follows —
1. "In memory of/ Dr. John B.
Arnold/ Born 1776/ Died 1822."Note:—The late Dr. Henry M.
Stewart, in his "History of the
Medical Profession in Adams
County," had this to say of Dr.
Arnold: — "Practiced in the
northeast section of the county,
1800-1822. Dr. John Bergou
Arnold was the son of another
Dr. Arnold and his wife, Jane
Trumbell, and was born in
Connecticut but came to
Pennsylvania, with other members
of his family, before 1790. He was
married to Rachel, the daughter
of William and Jane Weakley."**Graduate In Medicine**"Dr. Arnold was in early life a
graduate in medicine. The exact
location of his field of practice is
indeterminable — it was probably
what is now York Springs or its
vicinity. Dr. Arnold is buried in
Round Hill Presbyterian
Cemetery."Dr. John B. Arnold helped to
lay out the town of Hampton, this
county, and in the possession of
one of the inhabitants of that
town is an old deed, which tells
a great deal pertaining to the
early history of that village. This
deed reads in part —"Deed/ Dr. Jno. B. Arnold &
Wife/ Daniel Deardorff & Wife/
Caster Chronister & Wife/ to/
Jno. Miley, Esq., & James
Chamberlain/ Trustees in Trust/
Filed March 22, 1850.""Indenture made 1818 between
Dr. John B. Arnold/ Daniel
Deardorff and Casper Deardorff all
of Adams County, Pennsylvania,
and Rachel, wife of said Arnold,
and ———, the wife of said
Deardorff/ of the one part, and
John Miley, Esq., and James
Chamberlain, parties of the
second part/ ——— For one
dollar in hand release to said
trustees ——— for erecting a
church with burying ground/ and
a schoolhouse, for the use/ and
accommodation of the resident
inhabitants/ of the Town of
Hampton."These notes on the Weakley
family and the Round Hill
Graveyard will be continued next
week in this column.**TWO KILLED

Warriors Come From Behind To Turn Back Shippensburg 14-6 For Initial Victory

After being held without a first down throughout the first half despite holding a 7-6 lead at half time following Don Waddell's 37-yard spring for a touchdown after picking up a fumble, the Gettysburg High Warriors chalked up their first victory of the season here Friday evening by topping Shippensburg 14-6 before approximately 1,400 fans.

The visiting Greyhounds dominated play throughout the entire first half and completely smothered all Warrior offensive gestures, but the local contingent improved considerably after the half time intermission and went on to a hard-earned victory.

Both teams were over-anxious in the first frame, but it didn't take long for them to settle down and give the fans one of the best played games in this area this season.

In the early minutes of the first period, the ball exchanged hands several times, both via punts and fumbles. In the middle of the quarter Bob Furney, Gettysburg booter, was forced to punt and Shippensburg took over on its own 27-yard line. On three plays, the Greyhounds advanced the ball to the 37 and a first down. Gary Willhide, sparkplug of the Shippensburg backfield, went up the center for two yards followed by a 16-yard skirt around right end. With the ball on the opponent's 45, Willhide carried the ball two more times before Ed Zimm, after an unsuccessful attempt to find a receiver, darted through the center of the line and raced 25 yards before he was tackled on the Gettysburg 15. Willhide picked up nine more yards before the first period came to a close.

Zimm opened the second stanza with a two-yard sneak for the first down. The Greyhounds then drew a five-yard penalty, but Willhide came back with five yards off right tackle to the Warriors' 4. With one minute gone in the quarter, Willhide streaked off right guard for the first score of the evening. Ken Punt's attempt for the extra point was wide and the visitors led 6-0.

After the kickoff the ball exchanged hands three more times, before Furney was forced into another punting situation. Willhide returned the boot to his own 30-yard line. On three plays the Greyhounds added 12 yards and the ball rested on their 42. Willhide picked up two more yards, but on the next play Jack Hockenberry, trying to skirt left end, was thrown for an eight-yard loss, fumbled and Don Waddell, hard charging, 6'1, 170-pound right end, came streaking in, scooped the ball and dashed 37 yards down the field for the Warriors' first TD. Furney split the uprights with a placement and Gettysburg was out in front at the end of the first half, 7-6.

In the third period, the Warriors started a drive from their own 20 yard line and with the help of a Hardy Nichols to Mike Small pass for 17 yards and Furney's bolt off left tackle for 31 yards, the Warriors were on the opponent's 15. A 15-yard penalty against Gettysburg and an incomplete pass erased any TD plans as the Youngmen lost the ball on downs.

Long Boot Helps
Gettysburg tallied their final six-pointer in the fourth period. The play that set up the scoring was a tremendous 51-yard punt by Furney which backed the Greyhounds all the way to their three. On three plays they were unable to advance the ball and were forced into punting. Bill Shoemaker returned the ball to the visitors' 32. Jason Gulden and Shoemaker advanced the pigskin to the 20 on three plays. Furney, Nichols and Shoemaker went through the line for 15 more yards to the five. In the suspenseful drive Nichols added two more yards, Gulden plunged for two and Nichols, on a quarterback sneak, climaxed the drive from the one yard line. Again Furney spit the uprights.

Ollie Matson, the Los Angeles Rams' "nine-man-gang," goes on display tonight against one of the most respected defenses in pro football when the New York Giants invade Memorial Coliseum.

The game between the defending Eastern Conference champions and the Western's title-minded Rams is one of two nationally televised Saturday openers on a full week end of games kicking off the National Football League's 40th season.

The Cleveland Browns are at Pittsburgh tonight in a meeting matching the Giants' most feared foes in the East.

A crowd of 58,000 is expected at the Coliseum and 30,000 limited by the steel strike, at Forbes Field to see the hometown Steelers. CBS will televise the Rams-Giants at 10:15 p.m., EST, and ABC the Steelers-Browns at 9 p.m., EST.

The Baltimore Colts, who won the NFL title after 8 minutes and 15 seconds of unprecedented sudden death overtime with the Giants last December, open Sunday at home against the team they supplanted as Western Conference and NFL kings—the Detroit Lions. Other Sunday games are Chicago Bears at Green Bay, Washington at Chicago Cardinals and Philadelphia at San Francisco.

ADVERTISE IN THE TIMES

A Times photographer made this picture as Burgess Wilbur Plank lighted a torch for Milton Deitch of John Harris High School from a flame from the Eternal Light Peace Memorial on Oak Ridge Friday afternoon just before runners began their relaying of the burning torch to Hershey for the opening of the pentathlon games there.

Canners Finish Strong To Upset Juniata Joint 27-7 For Second Triumph

Biglerville High's gridders, trailing 7-6 at half time, roared back with three touchdowns in the final half to wallop Juniata Joint 27-7 Friday evening at Millfintown.

It was the second straight victory for Coach Jack Emanuel's fast improving outfit following an opening game loss to Cedar Cliff.

In the opening quarter the Canners got out in front after getting deep in Juniata territory following recovery of a fumble on the Juniata 40. The score came when Harold Slusser bolted over from the two.

Juniata took a 7-6 lead in the second frame, Dale Smith, 190-pound Indian fullback, smashing over from the one after a 65-yard drive in 17 plays. John Ernest put his team on top when he booted the extra point on a placement.

Biglerville took complete command in the second half.

Howie Vines climaxed a Canner drive in the third period by plunging over from the one and Vance Johnston added the point when he smashed through the line.

Two more Biglerville scores in the final quarter turned the game into somewhat of a rout.

Vines notched the first TD when he was on the receiving end of a four-yard aerial. Johnston place-kicked the point.

The final tally came on a six-yard sprint by Kermit Jacoby. Again Johnston converted on a placement.

Biglerville plays its first home game of the season next Saturday evening at 8 o'clock against Boiling Springs.

Score Repeatedly
The 6-foot-3 1/2, 240-lb. stablemate and look-alike of Sugar Ray Robinson, scored repeatedly on the charging Miteff with a sharp left jab and quick combinations.

Miteff got across with several heavy blows but was behind 4-2-2 on the cards of Judges Dick Fazio and Ed Nowakowski when Abraham stopped the fight. Abraham had scored the fight 4-2-2 for Miteff. The AP saw it 4-3 for Hunter. Miteff now has a 19-7-1 record, Hunter 13-6-2.

F. STRANAHAN TOPS TOURNEY
SAN FRANCISCO (AP)—Seven under par and shooting the best golf he has all year, Frank Stranahan led the pro pack today to the third round of the \$40,000 Golden Gate Invitational Tournament with a 68-67-135.

Only one stroke back of the Crystal River, Fla., leader and blazing around the exacting 6,628-yard Harding Park course under a bright sun were Jerry Barber, the 135-pound power ouster from Los Angeles, and Tommy Bolt, winner of the 1958 National Open.

Young Bob Goalby, also three-under-par 68 to stay only one stroke off Stranahan's pace, Dow Finsterwald, Tequesta, Fla., 1958 PGA champion, added a 68 to his first round 70 to hang in close contention at 138.

Jack Fleck, surprise winner of the 1955 U.S. Open, and young Tennessee Mason Rudolph, who shared the first-round lead at 67, both slipped back to 72 for 139. With them were Ernie Vossler of Midland, Tex., who shot a 70 Friday.

Berwick Bulldogs Wins Third In Row
The Berwick High School Bulldogs under Head Coach Ben Jones romped to their third victory in three starts Friday evening when they defeated Sunbury High School 27 to 0 in an Eastern Conference game played at Sunbury.

It was the second game this season in which the Bulldogs held their opponents scoreless. The first victory was a 34-0 affair over Hazle Township. Last Saturday Berwick beat Dunsmore 44 to 6. The game next Friday night is with Mt. Carmel.

This is Jones' first year at Berwick after coaching Gettysburg High for two seasons.

Crist Plays For Millersville JVs

Tommy Crist, son of Mr. and Mrs. Edward Crist, Elm Ave., played most of the game for the Millersville State Teachers College junior varsity which topped Montgomery Junior College of Washington, D. C., 8-7 Friday at Millersville.

Attending the game were Dr. and Mrs. C. G. Crist, grandparants of the former Gettysburg High ace.

COMPLETE GAME MONDAY
Arrangements were completed late this morning to have the Hershey-Waynesboro game completed Monday evening at 6 o'clock at Waynesboro. A power failure during half time Friday evening resulted in the game being stopped with Hershey leading 7-6. Monday's "game" will start with Hershey receiving the second half kickoff.

SPORTS TORCH LIGHTED FROM PEACE LIGHT

A few hours before two world leaders were to arrive at Camp David, near Thurmont, Md., the symbol of the peace which the world hopes will come of the talks between President Eisenhower and Nikita Khrushchev was carried by 70 high school athletes, running in relay, from the fire atop the Eternal Light Peace Memorial on the Battlefield here to Hershey where Friday night the flame was applied to the torch which will burn through the six-day World Pentathlon.

Burgess Wilbur A. Plank Friday afternoon mounted a fire ladder placed against the Peace Light pylon and took from the flame lighted there 21 years ago a light which he used to light a torch in the hands of Milton Deitch, of Harrisburg's John Harris High School.

Carry Torch To Hershey

Deitch was the first of the series of runners who carried the flame to Hershey. Nine of Deitch's fellow students took the flame in turn. Each ran about eight-tenths of a mile.

Runners from York High School next took the flame and later, in turn, runners from Columbia, Cedar Cliff, Central Dauphin and William Penn High School continued the relay until finally, at 8 o'clock, the flame was applied to the Pentathlon torch.

Both the U. S. and the U.S.S.R. are represented in the Pentathlon games as well as athletes from Argentina, Brazil, Chile, England, Finland, Germany, Hungary, Italy, Mexico, Sweden, Switzerland and Tunisia.

The ceremonies here were brief. After a few remarks by Maj. Gen. Anthony J. Drexel Biddle Jr., adjutant general of Pennsylvania, Burgess Plank said:

"Today we take fire from a flame which has burned continuously for 21 years and which is destined to burn forever as a symbol of eternal peace."

"Peaceful Competition"
"This torch, lighted from this flame, will be carried to another Pennsylvania city, Hershey, where athletes from throughout the world are gathered for peaceful competition in a renewal of the Pentathlon games which began in ancient Greece."

"It is fitting that such ideals should be so symbolized at this international gathering, for peace among men has long been mankind's highest ideal."

"May the brotherhood of athletes from throughout the world be the forerunner of peace and brotherhood among all nations."

Brigadier Wheeler, of England, an officer in the international organization for the World Pentathlon, said it was "a very great privilege to me to be on such a historic spot on this occasion."

He expressed the appreciation of his nation's athletes for the welcome they have thus far been accorded.

Gen. Biddle expressed appreciation of the efforts of local persons who participated in the ceremonies, the Gettysburg Fire Department which set up the ladder, the Gettysburg College Band which provided the music and the Gettysburg College ROTC firing squad which fired a volley.

Bail Question Delays Hearing
PHILADELPHIA (AP)—The issue of bail has delayed a hearing for boxing promoter Frank (Blinky) Palermo.

The hearing was postponed Friday until next Wednesday after Palermo's lawyer, Morton Witkin, objected to a request by California authorities to set bail at \$100,000.

On Wednesday, U. S. Commissioner Edward W. Furia set bail at \$25,000. It was continued.

Conspiracy Charge
Palermo was charged with conspiring to violate the anti-racketeering act, extortion, and conspiracy to commit an offense against the United States.

He was indicted in California with four other figures in the boxing world after a grand jury investigation of underworld influence in boxing.

College Games To Be On WGET

Local fans will again have an opportunity to hear all the Gettysburg College football games, home and away. P. H. Cunningham, manager of radio station WGCT, announced today that the Aero Oil Company and the Firestone Rubber Company will co-sponsor the play-by-play description of the games.

Jack Northrop, a Junior at Gettysburg and a veteran of two years of broadcasting, will do the play-by-play. The Shelter House will present pre-game warm-up, five minutes before game time and Gettysburg Motors will sponsor pre-game announcements.

The game between Gettysburg and Bucknell will be broadcast this evening at 8:25 o'clock.

PENTATHLON GAMES OPEN IN HERSHEY

HERSHEY, Pa. (AP)—Top athletes from 13 countries begin competing here today for international honors in the 1959 World Modern Pentathlon.

Defending champion Soviet Russia was favored to win again as three-man teams from the competing nations squared off in the first of five events—a 22-mile cross-country horseback ride over rugged terrain.

In the next five days, the athletes will compete in fencing, pistol shooting, swimming and running events to decide the pentathlon championship which the Russians won in England last year.

Second To Olympics
The modern pentathlon games are second in importance to the Olympics. Their origin dates back 2,500 years to the Greek civilization. The event is supposed to simulate the tests a military courier would face in wartime.

Countries entered besides Russia are: Argentina, Brazil, Chile, Great Britain, Italy, Sweden, Finland, Switzerland, Germany, Mexico, Hungary and the United States.

Color and pageantry marked the formal opening of the event in this central Pennsylvania resort community Friday night.

Some 3,500 fans watched and applauded as the colorfully uniformed athletes marched into the community's sprawling outdoor stadium along with musical aggregations, boy and girl scout organizations, beauty queens and other participants.

Light Sports Torch
They were welcomed by officials of the pentathlon committee.

The international sports event began after a relay of high school runners sprinted 56 miles across picturesque Pennsylvania countryside with a torch lit at the Eternal Light Peace Memorial Pylon at Gettysburg's historic battlefield.

The anchor runner, William O'Donnell, of Harrisburg's William Penn high school, carried the torch into the stadium. The 59 other torch-bearers followed O'Donnell around the arena and were given a thunderous ovation by the opening night crowd.

Then O'Donnell lighted the pentathlon urn signaling the start of the world games.

Corn Harvest Has Hazards; Lime Values Vary; Culling May Improve Dairy Profits

By FRANK S. ZETTLER
Adams County Farm Agent

"My hand is gone. What am I going to do?"

This sad statement is echoed hundreds of times every fall as a result of corn harvesting accidents. This year more hands, feet and fingers will be harvested unless corn harvest operators become aware of the fact that this can happen to them.

The corn picker is the implement involved in a large proportion of corn harvest accidents, but other equipment is equally dangerous, but perhaps less dramatic. Elevators, binders, shellers, shredders, wagons and tractors take a very high toll in corn harvest accidents.

"Farmers are interested in the margin of profit, but this profit can be cut to a loss in one moment of carelessness."

Limestone Value Varies
Value of limestone is judged by two things, its total capacity to correct soil acidity, and the

rate which it makes this correction.

The capacity of a liming material to correct soil acidity, or its neutralizing value, is determined by the amount of calcium and magnesium oxide equivalent of the material. The higher this value the greater is the potential of the liming material in correcting soil acidity.

The speed of action of limestone to correct soil acidity is controlled by the fineness of the material. The finer the material the quicker will be the correction of soil acidity.

Thus not all limestones are equal in value. Those materials that are highest in total calcium oxide equivalent, and have a high degree of fineness are worth more per ton than a material lower in calcium oxide equivalent and bigger in particle size.

Enlarge Or Cull

Fall is freshening season for many dairy cows and heifers and this often causes a housing problem for many dairymen. This problem can be licked by building a bigger barn or by culling the herd.

Dairymen should check production levels carefully to see if a bigger barn can be paid for. If the herd is not producing a yearly average of 400 pounds of butterfat, the housing shortage should be solved by shipping low producers to market.

Size of operation is not always a true indicator of a man's financial success. If production levels are too low to make a profit, a bigger herd can be a liability. It costs the same to house a poor cow as it does a good one and the profit made on a 300-pound butterfat producer is not enough to pay for her share of a larger barn.

JEWRY DYING IN RUSSIA

NEW YORK (AP) — "To all intents and purposes the Jewish community of Russia no longer exists," Will Maslow, general counsel of the American Jewish Congress, recently reported.

Maslow, who led a group of 25 AJC leaders on a tour of Russia last month, reported to the Congress: "The sole remnant of a once-great Jewish community consists of a few solitary synagogues attended by a handful of old men and women, and within 20 years or less even these will be gone. This is the bitter fruit of the Soviet effort to obliterate organized Jewry in the U.S.S.R."

Here's The Answer

By ANDY LANG
The Associated Press

QUESTION: I intend to do some painting on small objects and hope to be able to do it with one or two spray cans of paint. I have had some experience and success in painting with a spray gun, but I no longer have the gun and do not want to buy a new one for such a small job. Is the technique the same in spraying with a spray can as it is with a gun?

ANSWER: The technique is the same. Deliver the spray at right angles to the surface being painted. However, be sure to read the instructions on the can, as it may be necessary to turn the can upside down before using it or to take some other action to facilitate the spraying.

QUESTION: I expect to make a broom closet soon. I want to make the sides and door of the closet from plywood, the supports from white pine. Is this all right? It seems to me I remember reading somewhere about not mixing plywood with regular lumber in one project because they warp differently and might pull apart.

ANSWER: It's perfectly all right to make the supports from regular pine and the rest from plywood. If made properly, there will be no warping.

QUESTION: We have a finished attic except that it has no bathroom. If we decide to have one put in, must it be directly over the downstairs bathroom? We like to avoid this if possible, since we want the attic bathroom to be put on the opposite side of the house.

ANSWER: You can have the attic bathroom installed anywhere you wish. But if you do not locate it over the downstairs bathroom, it will cost you a lot more for the installation.

WAS A DANCER

NEW YORK (AP) — Lee Grant, who co-stars with Jeffrey Lynn in the Broadway comedy hit, "Two for the Seesaw," was once a ballet dancer in Metropolitan Opera. She was forced to give up her ballet career when she was stricken with tuberculosis of the hip.

Her first serious stage role was as the shoplifter in Sidney Kingsley's "Detective Story" which had a long Broadway run in 1949. Her ballet career began at the age of 6 when she danced in several opera ensembles at the Met.

SUMMER THEATER GRADS

NEW YORK (AP) — Summer-camp theaters have graduated many of the current top-flight producers, directors and playwrights who are now prospering on Broadway and in Hollywood.

Among them are Moss Hart, Garson Kanin, Arthur Kober, Phil Silvers, Dore Schary and Danny Kaye. All of these were first office boys, stage hands and general workmen around summer theater stages before their talents hoisted them onto "big time" theater and film production.

GREEK UNIVERSITY

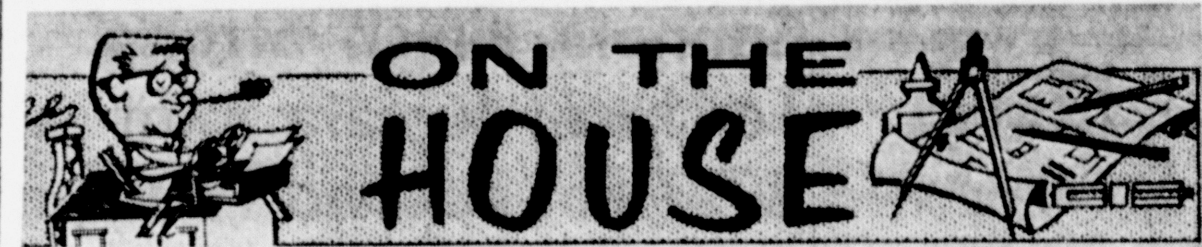

BOSTON (AP) — The Greek has purchased land for construction of a 100 million dollar Hellenic University.

The university, which will surround the seminary, will have an enrollment of 1,000 to 1,200 officials say. It will be open to non-Orthodox as well as Orthodox students.

Old, worn-out roofs can be given new life and beauty — and the life expectancy of new roofs can be greatly extended — by using roof coatings on one of the roof paints recently introduced by the paint industry.

These roof paints are of three general types. One is asphalt combined with aluminum flakes either in the natural metallic color or in a choice of pastels. The second is the alkyl-type paints pigmented with aluminum. And the third is white latex, or water-thinned, paints designed for exterior use. The alkyl roof paints generally contain asbestos fibers for greater strength, body and insulation. The asphalt coatings are made with and without the asbestos.

All Reflect Sun

All three types have the added advantage of reflecting a great portion of the sun's heat. Tests have showed it is possible to reduce the temperature under a black asphalt roof by as much as 16 degrees if it is painted white. Aluminum paints result in a slightly lower heat reduction.

The aluminum coatings will give satisfactory service on any roofing material except wood. They can be applied to built-up, composition or felt roofing, to shingles, tile or slate. Wooden shingles can be painted with any non-chalking exterior white paint, but to prevent the old shingle stain from bleeding through, a latex paint should be used as a prime coat.

Galvanized metal roofs should first receive a prime coat of zinc

dust-zinc oxide paint, which is sometimes called metallic zinc paint. This can be followed by any non-chalking white paint or aluminum paint. Asphalt paints while not necessary over metal roofs, will last longer than the other paints.

Clean Roof First

Before any of these coatings are applied, the roof should be absolutely clean and any loose paint or rust, removed. Loose areas should be nailed down. Small breaks in the surface should be sealed with asphalt asbestos roof cement. Badly damaged roofing and large cracks and holes should be patched with roofing felt, securely attached with roof cement.

Normally it is not necessary to repair small cracks, nail holes or other tiny leaks with the aluminum-asphalt and aluminum-alkyl paints because these form a waterproof, weatherproof film.

WOMEN'S LEADER CHOSEN

BALTIMORE (AP) — Miss Frances Young, director of Christian education at the Church of the Redeemer here since 1947, has been named executive director of women's work in the Episcopal Church.

Mildew Stains, Selection Of Mementoes Discussed

By MRS. HELEN TUNISON
Associate Home Economist

Selecting souvenirs that become treasures take planning.

Many souvenirs on sale at historic or scenic spots have little use. Teenagers may enjoy collecting them, but a good snapshot is a better reminder of a pleasant trip than a model of a monument.

A more desirable souvenir may be a product of an area visited on a trip. Study the route of a trip beforehand to know the products of different areas. Glassmaking may be a highlight of one section, and pottery of another section. An area may be noted for furniture making, jewelry, or leatherwork.

Plan Ahead
Before leaving on a trip, think about items that would add interesting touches to rooms in the house. Make a list of the items, and note colors, sizes, and styles. Often it's hard to choose an article with only the memory of a room to rely on.

Over a period of years, some families have added beauty, interest, and memories to their houses by using items they bought on trips as room accessories. These items are treasures and souvenirs in the true sense of the word.

Remove Mildew Stains
Prompt treatment is necessary to successfully remove mildew.

If mildew stays on a garment for a long period of time, it will weaken yarns and the fabric will fall apart.

If a mildew stain on a washable garment is fresh, treatment with just soap and water may remove it. To help bleach the stain, dry the garment in sunlight.

Treat deeply set mildew stains with soap and water. If the stain doesn't disappear, use a bleach, such as lemon juice or sodium perborate. Try the lemon juice first. Moisten the stain with a mixture of lemon juice and pure salt, and dry the garment in the sunlight. Don't use treated salts for they may discolor the fabric.

If lemon juice doesn't remove the stain, treat it with a solution of sodium perborate. To prepare the solution, mix four tablespoons of sodium perborate with one pint of lukewarm water. Try the solution on an inconspicuous part of a garment to test for colorfastness. If a garment is colorfast, dampen the stained area with the bleaching solution. Rinse and repeat the treatment several times. Never soak a garment in the solution. After removing the mildew, wash the garment.

Art Talley, colorful Carolina League umpire of a few years ago, still has the last word. He's a North Carolina prison guard.

James MARLOW Reports

The Associated Press

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP) — Nikita Khrushchev has made a shambles of a supermarket, a cornfield, and stuffed-shirt diplomacy. But now the time has come to see whether he's any more than a bull in a china shop.

His American caravan, more like a mardi gras than a sight-seeing expedition, included hat-swapping, hot dogs, insults, temper-tantrums, baby-patting, pig-patting, turkey tickling, and a fling at the Can-Can.

Talk Only

He has talked peace and he has talked big. But so far it has been all talk and all vague. Now he has to get down to cases with President Eisenhower. By Sunday, when their meeting breaks up, there should be answers to two questions:

Whether he came just for the ride and the publicity; or, whether he means business, wants peace, and is willing to take steps to bring it about.

Even if the talks are only a small success Khrushchev will look like a great man to a lot of the world, since he was the one who initiated all this and went to a lot of trouble, coming over and poking around, to find a settle-

ment. He's done his best to create that picture of himself already.

Hanging in Balance

If the talks finish in flat, dead-end failure he can blame it on this country and still look good to a lot of people. He can point to his efforts. But if there is failure, and he keeps on talking, he runs a danger:

He may wind up looking like an international windbag, which is the large size.

He and Eisenhower, as they sit down together, have one thing in common: A kind of inborn optimism that, with the proper effort and plenty of it, the world can be made wonderful. Trouble is, they haven't agreed on how to do it.

Nuclear War Unthinkable

They do agree nuclear war is unthinkable — although they keep on thinking about it — but they suffered from a bafflement on how to prevent it.

They have a lot of unfinished business to discuss: Disarmament, Berlin, nuclear tests, Laos, the future of Germany, American-Soviet trade, travel exchanges between the two countries, and any other problems they can think of.

Success Doubtful

You'd have a time finding anyone here convinced the two men will reach any flat or final agreements. Maybe the most to expect is that they will make a start, at least, toward some future settlement.

Perhaps just realization by both of them that Americans and Soviets don't want to hate each other will be start enough for the two men to go on to further and more fruitful meetings.

Traditional diplomats from Washington to Hong Kong, who for years have been long on palaver and short on performance, must be horrified by Khrushchev's revolutionary approach to foreign relations.

Suppose Success?

If his mission is a success, after the kind of performance he put on, diplomats the world over may feel they had a disturbed childhood because they didn't

Troubles Mount For Small Schoolmaster

SEATTLE (AP) — The operator of a small-time suburban military academy, already in trouble on a charge of mistreating a cadet, was accused Thursday of threatening the father of another student with a gun.

Thomas H. Hopkins was arrested on a complaint which said he waved a gun at Richard H. Brattin of Lake Stevens, Wash., Sept. 5 and ordered him off the property of the Hopkins Military Academy near Redmond.

Smith said Brattin had given notice he was withdrawing his son from the school.

Hopkins was charged Monday with third degree assault for allegedly using a judo hold on a 14-year-old cadet and ordering him fed only bread and water while being kept under guard for five days.

NEW YORK (AP) — The director of children's care at Kings County Hospital says at least two infants — and probably more — have died there because of a shortage of nurses.

Dr. Richard Day made the statement Thursday at a city hearing on proposed salary increases for nurses.

Dr. Morris A. Jacobs, city commissioner of hospitals, ordered an immediate investigation.

City nurses now earn from \$3,750 to \$4,830 a year. They are asking \$4,550 to \$5,900.

work in a coal mine or were retarded because they went to college.

Khrushchev, despite all his shenanigans, seems to have created very little ill will in America. If he made any enemies on this trip they were probably the world's high-priced tailors.

If this trip proves successful, since he violated all the rules by wearing business clothes to a formal White House dinner in his honor, he may have done damage to sales of full dress suits and tuxedos.

Capone Henchman And His Blonde Girl Friend Slain

By LAMAR FALKNER
NEW YORK (AP) — Veteran underworld kingpin Anthony (Little Augie, Pasano) Carfano, 62, and his beautiful blonde companion were shot to death Friday night in a flashy black Cadillac.

Carfano—Prohibition era henchman of Al Capone, long-time buddy of Frank Costello, and several years ago involved in a union welfare fund racket — was shot from the rear seat of his car. The auto, apparently moving at the time, veered onto a curb in the Jackson Heights section of Queens about a half mile from LaGuardia Airport.

Two Men Flee Car

Neighbors told police they saw two men flee from the car after they heard shots. No weapon was found. Carfano was shot twice in the back of the head and once in his left cheek. The girl, Janice Drake, about 25, was shot in the back of her neck and in the right temple.

Carfano, short and pot-bellied, wore a dark blue silk suit. His pockets were stuffed with money. Miss Drake wore a smart blue cocktail dress and a mink stole. Police said there were reports the couple had been seen earlier at a hotel near LaGuardia.

Police said the weapon used in both killings was a .38 caliber revolver. Carfano's trousers pockets bulged with \$1,500 in \$50 and

Hangs Upside Down On Fence 17 Hours

MEADVILLE, Pa. (AP) — Howard Steelsmith, 75-year-old retired farm worker, was rescued Friday after hanging upside down on a wire mesh fence for some 17 hours.

Steelsmith was conscious but unable to speak when found near his home in Fallowfield Twp., Crawford County. He was listed in fair condition at a hospital here.

The elderly man apparently tried to climb over the fence late Thursday afternoon. His foot became entangled and he fell backward.

\$10 bills and \$433 in smaller bills. He was identified from his auto license.

Miss Drake was identified from labels in her clothes. The swanky car was headed south on 94th Street, a main thoroughfare, near 24th Avenue. The bodies were taken to Queens General Hospital morgue for autopsies.

Carfano, who lived in a palatial mansion in Long Beach, on Long Island, was a familiar name in underworld investigations for the past 35 years.

JAIL ESCAPEE SURRENDERS

LANCASTER, Pa. (AP)—When Gerald Wilson went home Friday, his five-year-old son didn't recognize him. That was because Wilson was decked out in gray dress, high heels, black babushka and lipstick.

Wilson hadn't seen his son for awhile. He had been in Lancaster County prison serving three to six months for burglary and larceny.

On Thursday morning, he completed the 15th day of the sentence and left; by piling benches one on top of the other against a 25-foot wall.

The first 24 hours he spent hiding in a park. That apparently didn't suit him, for bright and early Friday he went to a rummage sale, as he told authorities later, and bought his disguise.

Wanders Streets
All day he wandered the streets of Lancaster, and police had only one report—from a truck driver—of a woman with hairy legs and knobby knees.

His homecoming, even though his wife was out, convinced Wilson he ought to give himself up. Off he went to jail.

"What can I do for you, lady?" asked prison guard Robert Brighton as Wilson approached the gate.

Wilson said he wanted to see

Russian photographers who repeatedly shifted positions or stepped in front of an American cameraman obstructing his view. One Yank asked an interpreter how to say "down" in Russian. When told, there was a chorus of "downs" in Russian from the Yanks. However, it was of little avail. One American was completely blocked out by a Russian at the instant he was to take a picture.

After this brief ceremony the press corps raced to phones in the rec hall while photographers sped to the outer gate where couriers on motorcycles took their films to transmitting rooms which had been set up in Thurmont.

Returning to Gettysburg, Hagerty held a brief conference at 7:35 o'clock. He reported that the President and his party went di-

rectly to the sun porch of the lodge where the informal talks got underway immediately. The discussion was along general lines of the world situation. It was continued at the 8 o'clock dinner.

Nixon There Today

After dinner a movie was shown. It was the film of the cruise of the Nautilus, the atomic sub under the North Pole icecap. This had been requested by Khrushchev.

Hagerty said that the President and Herter did not anticipate a long conference Friday night, expecting to break up early and get some rest after an arduous day. "These are discussion meetings," Hagerty added, "and there will be no attempt to negotiate on topics concerning other nations."

Discussions continued today and among the other guests who joined the presidential party at Camp David was Vice President Richard Nixon. He arrived shortly after 10 o'clock in a 'copter.

Hagerty said that if a communique is issued after the informal talks it will be issued here. He said that the President plans to go to church Sunday but does not know whether Khrushchev will join him.

With Hagerty at the conference was Andrew Burdick, assistant secretary of state for public affairs.

The menu for Friday evening's dinner at Camp David was: Oysters on Half Shell, Cocktail Sauce, Celery, Olives, Crackers, Baked Red Snapper, Spanish Sauce.

PARDONSBOARD ASKED TO STAY AN EXECUTION

PITTSBURGH (AP)—The State Board of Pardons today held under advisement an unusual request to stay the execution of a convicted slayer.

Atty. Charles A. Lord of Philadelphia asked the board at its session here Friday to delay the execution of Robert Lee Williams, 20, slated to die the week of Oct. 5.

Lord said he had been advised to take the action by Gov. Lawrence and State Atty. Gen. Anne X. Alpern.

Board members questioned their jurisdiction, but took the request under consideration.

Court Stays Two

Lord told the board the State Supreme Court had stayed the executions of two other men convicted with Williams in the slaying of Louis Weiner in a Philadelphia drug store in 1957. Their cases had been sent back to the lower court. Lord said:

"I am here to get justice for my boy. If the lower court reaffirms the death sentences for the other two I have nothing new. But I don't want to see my client going to his death without knowing the fate of his accomplices. If their sentences are commuted to life, I'll have an argument."

Jack Meyer, Sore-Arm Guy, Spanks Braves To Oust Them Out Of First

By ED WILKS

Jack Meyer, a right-hander who's been a sore-arm guy with Philadelphia, hadn't been a winner in more than three months. Mostly a reliever, he hadn't pitched more than five innings in better than a year. He hadn't beaten Milwaukee in four years.

But Friday night he had the Braves hangin' by their thumbs.

Behind Meyer's four-hit, 5-2-3-inning shutout relief job, the last place Phillies beat the Braves and Lew Burdette 6-3 in the rain at Milwaukee, plunking them out of a first place tie with Los Angeles in the fast-closing National League race.

Hodges' Homer Wins

The Dodgers, now one game ahead with two to play, put away a 5-4 victory over the Chicago Cubs on Gil Hodges' 11th-inning home run and dandy relief work from Larry Sherry.

Los Angeles can nail the pennant today—if the Dodgers can couple victory over the Cubs with another victory by the Phils. A sweep of their two at Chicago and the Dodgers are home free, no matter what the Braves do today and Sunday.

Southpaw Johnny Podres (14-8) is the Dodger choice today against Dave Hillman (7-11). The Braves shoot with Warren Spahn (20-15) against the Phils' Robin Roberts (15-16).

Giants Rained Out

San Francisco? The third place Giants trail by 2½ and still have three to play after Friday night's rain out at St. Louis. It's Sam Jones (20-15) and Jack Sanford (15-12) in a two-night pair today against the Cards' Vinegar Bend Mizell (13-9) and Larry Jackson (13-13).

The Phillies made it four in a row over Burdette, the 21-game winner who hasn't beaten them since May 22. They scored twice in the first and then tagged the big right-hander with his 15th defeat in a four-run third capped by Gene Freese's 22nd homer, with two on.

Banks Ties Matthews

Hodges, who hit his 25th homer off losing reliever Bill Henry, gave the Dodgers a 4-2 lead with a two-out, two-run double in the sixth. But homers by Sammy Taylor, in the seventh off starter Don Drysdale, and Ernie Banks, in the eighth off Danny McDevitt, gave the Cubs their third tie of the game. It was Banks' 45th, tying Matthews for the major league home run lead.

Sherry (6-2) came on in the 10th with two on and one out — and fanned Banks and got Walt Moryn on a grounder. He retired Al Dark on a pop up and struck out pinch-hitter Dale Long to end it in the 11th with the tying run on second.

The only other games scheduled were in the AL. Detroit beat the White Sox 6-5, but New York nailed third place over the Tigers with a 5-2 victory over Baltimore. Cleveland beat Kansas City twice, 8-2 and 8-7, and Boston belted Washington 10-4.

ROUND TABLE SEEKS WIN IN \$100,000 RACE

By ORLO ROBERTSON

Associated Press Sports Writer
NEW YORK (AP)—One of the few blotches on Round Table's gold-laden 63-race career was a bad beating in the 1958 Woodward.

The world's richest horse tries to make amends today when he tangles with Hillsdale and Sword Dancer in the 1959 renewal of the \$100,000 added Woodward at Aqueduct.

The little 5-year-old horse from Travis Kerr's stable has turned in 42 victories, 30 of them in stakes, in building up a world record bankroll of \$1,679,539. But he failed in his lone race over a New York track.

Finished Fifth

New Yorkers never got a look at the son of Princequillo until the 1958 Woodward, a weight-for-age 1¼-mile event named for the late William Woodward, one-time president of the Jockey Club and master of the famous Belair stud. Then he finished fifth beaten by 17 lengths, on a sloppy track at Belmont Park.

The names of eight horses were dropped into the entry box Friday but only Round Table, Hillsdale and Sword Dancer are needed to make this nationally televised (CBS, 3:30-4 p.m. EST) test of speed and endurance the race of the year. There's been nothing like it since Bold Ruler whipped Gallant Man and Round Table in the 1957 Trenton Handicap at Garden State Park.

BILL RIGNEY IS PLEASED BY WASHOUT

By JIM VAN VALKENBURG

ST. LOUIS (AP)—“This rain

is a real break—now our pitchers

can rest,” said Manager Bill Rigne-

y, ignoring the possibility his

San Francisco Giants may be out

of the National League pennant

race even before they take the

field tonight.

The lean Giant head man was

happy over the washout of Fri-

day night's game with the St.

Louis Cardinals. His club still had

a chance to tie for the pennant,

and Rigney was talking like a

manager in a pennant race. But

he knew the end may be near.

Feels Rested

The gray-haired field boss, seemed relaxed for the first time in many weeks. He admitted he had his first good night's sleep in a long time.

“It's a strain on a club to hold a narrow first-place lead week after week,” he said. “It's bound

to tell.”

A victory by the Los Angeles

Dodgers today at Chicago would

kill all Giant chances and put an

end to feverish work at San Fran-

cisco's new Candlestick Park,

which only a week ago seemed

likely to be the scene of the World

Series. A sudden five-game Giant

skid made the past week a night-

mare for San Francisco fans.

In any event, the Giants must

sweep all three games to have a

chance of a pennant tie.

James Duffy Goes To Penitentiary

MEDIA, Pa. (AP)—James Fran-

cis Duffy, 51, recently on the

FBI's 10 most-wanted list, has

been sentenced to 2½-5 years in

Eastern State Penitentiary.

Duffy pleaded guilty to taking

part in the holdup of Drexelbrook

Inn last year. He was on the

most-wanted list only a week

when he was captured by the FBI

in Philadelphia Sept. 2.

Judge John V. Diggins of Dela-

ware County Court imposed sen-

MIAMI'S NEW DEFENSE WINS OVER TULANE

By ED CORRIGAN

Associated Press Sports Writer

You're a college football coach.

Your team has gone through a

miserable 2-8 season—the worst

in the history of the school—scor-

ing only 88 points in the process.

Something must be done.

Andy Gustafson, University of

Miami pilot, found himself in that

predicament last winter. Mulling

it all over, he decided to try a

new offense. It had to be better

than last year's.

He calls it a multiple offense

and it got its first test Friday

night against Tulane. It worked.

Miami won, 26-7. The defeat was

Tulane's second straight.

Sharp Passing

Bob Rosbaugh scored two of

Miami's touchdowns and Frank

Bouffard the other. But it was

the sharp passing of Fran Curci

that kept the Green Wave off

balance. At one time he hit seven

that kept the Green Wave off

balance. At one time he hit seven

bullseyes in a row. One of his

passes was a scoring flip to Ros-

baugh.

Southern Calif. Whips Pitt

In other top games, Southern

California whipped Pitt, 23-0.

George Washington turned back

Boston University, 18-14 and Iowa

State trimmed Denver 28-12.

Willie Wood got off a 31-yard

field goal and Jim Conroy bulled

over from the 1 for 10 Southern

Cal points in the first quarter.

That was all the Trojans needed.

Most attention will be riveted

today on Evanston, Ill., where

Oklahoma takes on Northwestern

in the TV game of the day.

Sooners Are Ill

This will be the opener for both

teams. The Sooners, ranked No.

2 in this week's Associated Press

poll of sports writers and broad-

casters, are in bad shape as a

result of a case of banquet food

poisoning that struck down 12

players.

At best, Oklahoma did not fig-

ure to have a sincere against

Northwestern, rated No. 10 in the

AP poll and the dark horse in

the Big Ten. Bud Wilkinson's op-

eratives had been rated 6-point fa-

vorites. Now they are down to

even money.

LSU, defending national cham-

night game in Baton Rouge, La.

This one could be tough for the

Bengals from the Bayou because

the Horned Frogs are reputed to

be big and mean and bent on

grabbing the Southwest Confer-

ence flag.

Auburn, unbeaten in its past 24

games and LSU's No. 1 threat

title, tackles Tennessee in a

league game.

Mississippi, No. 4 this week,

has a relatively easy task against

Kentucky in a SEC game. Ole

TV COMEDY IS DISAPPEARING, RADIO BETTER

By BOB THOMAS
AP Movie-TV Writer
HOLLYWOOD (AP)—When will the comedians be coming back to television? Maybe never.
I came to this conclusion while watching a couple of the new comedy entries this week. We may have to face the fact that TV is not a medium in which comedy can thrive and survive.

Take "The Dennis O'Keefe Show," which made its debut Tuesday. O'Keefe is one of the movies' better handlers of funny stuff; he can double-take with the best of them. But his talents weren't enough to save the insane script.

Grant Was Funny
There could be humor in having a sophisticated man act like a teen-ager to disenchant a swooning young girl. At least it was funny when Cary Grant did it in "The Bachelor and the Bobby-soxer." But the situation had such obviousness on "The Dennis O'Keefe Show" that the guffawing laugh track sounded more idiotic than usual.

Then came "Fibber McGee and Molly," with the laugh track more restrained and the comedy gentler. Bob Sweeney is right as Fibber, but Kathy Lewis seems to miss the comic nuances as Molly. Maybe the producers felt TV comedy characters have to be straighter, more like the folks next door. Maybe they're right. But this underlines why radio was a perfect medium for comedy and TV isn't.

Better Imagined
Back in those dear, dead days of bigtime radio, we could imagine Fibber's closet, Jack Benny's vault and Fred Allen's alley. Those things were funnier to us than if

Last Apache Raider Dies In New Mexico

MESCALERO, N. M. (AP)—Aged Jasper Kanseah, last known member of Geronimo's Apache raiders, is dead.
Kanseah, whose parents were with Geronimo when the notorious chieftain surrendered, died Wednesday, a week after his wife died. Officials of the Mescalero Apache Agency said he was believed to be about 75.
Kanseah's parents took him with them when they accompanied Geronimo on the chief's last raid across New Mexico and Arizona in 1886.

Murderess May Face Death In Slaying

LOS ANGELES (AP)—The prosecutor says he now is considering demanding the death penalty for Carole Tregoff, charged with murdering her lover's wife.
Deputy Dist. Atty. Fred N. Whitchell originally said he would not. Miss Tregoff, 22, is accused with Dr. Bernard Finch, 41, in the July 18 fatal shooting of Barbara Finch, 33.
Whitchell indicated his possible action upon return from Las Vegas, Nev., where he questioned Donald Williams, 22. Williams told police that Miss Tregoff asked him to introduce her to "two rough guys who will take care of somebody."

we could see them. Charlie McCarthy was not just a dummy, he was a mischievous boy who said outrageously funny things.

When TV came in, the networks signed up every comedian in sight, thinking that comedy would remain as supreme as it had in radio.

But one by one the comedy shows died, until only Red Skelton remains.
There will always be a degree of comedy on TV and some of it will be funny. But ah, those days were funnier to us than if

ROCKEFELLER MAY SEEK GOP NOMINATION

HANOVER, N.H. (AP)—New York Gov. Nelson A. Rockefeller arrived in this politically strategic state today for a whirlwind visit that touched off fresh speculation he would run for the Republican nomination for president.
There was widespread belief he was here to sound out opinion on his chances next March in the New Hampshire presidential primary, which will be the first in the nation next year.
If he entered, he would clash with Vice President Richard Nixon, now the leading contender for the party nomination to succeed President Eisenhower.

"Visit Classmates"
Rockefeller has laughed off suggestions his trip was political. He has insisted he planned it only to visit with his Dartmouth College classmates and watch a football game here.

But his schedule also included:
1. A news conference at a Concord hotel across the street from newly opened headquarters of a "Draft Rockefeller for President" movement.

2. A meeting with New Hampshire Gov. Wesley Powell, regarded as a Nixon supporter.

3. A dinner meeting with 40 prominent residents of New Hampshire who launched the draft-Rockefeller movement and want him to enter the state's primary.

Daylight Time To End In Some Areas

NEW YORK (AP)—Daylight saving time will end Sunday in a crazy-quilt pattern of communities across the nation.

But in New York, New England and throughout most of the Middle Atlantic states it will continue until the last Sunday in October. At 2 a.m. local time clocks will be moved back an hour in California, Nevada, Wisconsin, in parts of Indiana, Pennsylvania and northeastern Ohio, and the eastern part of West Virginia.

In addition to the Eastern Seaboard states, those that have extended daylight time include Illinois, Missouri and Kentucky. Scattered communities in Indiana and Nebraska have adopted daylight time the year 'round.

Munford Suffers Cerebral Thrombosis

HYANNIS, Mass. (AP)—Walter F. Munford, 59, president of U.S. Steel Corp., suffered a cerebral thrombosis which partially paralyzed him Thursday, after surgery for an accidental knife wound in his abdomen.
Dr. Robert L. O'Connor, U.S. Steel medical director, disclosed today that Munford had suffered a stroke late Thursday afternoon and had since been under the care of Boston specialists.

His condition was described as not critical, but he has a paralysis of his right arm and difficulty in speaking.

PAINTING, PREACHER'S SIDELINE

By JACK LANNAN
GODDWIN'S MILLS, Maine (AP)—The "Painting Parson" and his family are among the best things that ever happened to church budgets in this New England area.

The Rev. Lloyd N. Osborne, 51-year-old pastor of the Advent Christian congregation here, specializes in painting religious edifices—inside and out.

"I prefer to work on churches," he says, "they're nearer my profession. I never make any service charge for equipment. It keeps the cost down and they have a hard enough time trying to get along—especially if they're anything like mine."

"Natural Outgrowth"

The country minister said he started painting about 10 years ago. It was a natural outgrowth of his building trade experience which includes carpentering and electrical wiring.

Usually, he works with a two-man crew, his son, William L., 16, and daughter, Jean, 18. Sometimes a third member of the family, Deborah, 14, joins them.

Jean is a sophomore at Berkshire Christian College in Massachusetts. Her brother is a high school student. Both work on a no-holds-barred basis, climbing the long extension ladders right beside their father.

Children Benefit

"I can pay them more than anyone else," he says, "and they're working their ways through college. They need money."

FIRST LADY OF RUSSIA IS INTERVIEWED

WASHINGTON (AP)—Nina Khrushchev, in her first formal news conference, showed her wits were every bit as sharp as her famous husband's and her temper considerably more even.

Mrs. Khrushchev met with women reporters Friday in the living room of Blair House. She carefully answered every question thrown at her and never once lost the good humor that has characterized her throughout the state visit.

True, there were no barbed queries or hot potatoes tossed. But Mrs. Khrushchev seized on several innocuous questions to drive home some of the differences in Soviet and American customs.

The news conference itself, for churches, the parson and his family will paint just about anything. They do two churches a summer, usually, and did the same before they came here from Newbury, Vt.

Osborne, who hails from Wareham, Mass., is a graduate of the New England School of Theology and though trained in the Advent Christian discipline, makes no distinctions as to sect when painting churches.

Prime Minister Of Ceylon Dies Of Assassin's Wounds

By DENZIL PEIRIS
COLOMBO, Ceylon (AP)—Prime Minister Solomon Bandaranaike, 60, died today from an assassin's bullets—apparent victim of the struggle between Eastern and Western ways which swept him into power 3½ years ago.

The frail champion of Asian neutralism succumbed almost on the eve of a visit to the United States, which only a few months ago he termed Asia's best friend.

Wijayananda Dahanayake, 57, a politician from Bandaranaike's cabinet, was sworn in as the new prime minister. Dahanayake in the past has ranged the political spectrum from revolutionary red to conservative blue.

Forced Two To Resign

His most recent exploit was to force the resignation of Marxist ministers of food and industries from the cabinet.

British-educated Bandaranaike failed to survive a five-hour operation to remove three bullets which pierced his liver, spleen and arm.

Gov. Gen. Sir Oliver Goonetilleke, one of Britain's last remaining links with Ceylon, proclaimed a state of emergency on the island until the uncertain political situation is clarified.

On his deathbed, the mild-mannered prime minister forgave his accused assassin—a professed

Prime Minister Of Ceylon Dies Of Assassin's Wounds

Buddhist medical monk, who whipped out a revolver and fired as Bandaranaike bowed in reverence to him.

Gunman Was Angered
The monk and another man clad in saffron monk's robes had called at the prime minister's private bungalow in a luxurious Colombo residential area Friday morning.

The gunman reportedly was angered by the prime minister's refusal to go all the way in shedding Western ways in favor of ancient Eastern medical techniques known as "Ayurveda."

Ayurvedic medicine men, who favor hot compresses, massages and secret herb formulas handed down from father to son, have practiced in Ceylon for 2,000 years. In recent years they gained stature as a political power.

LUMBERJACK KILLED

CHAMBERSBURG, Pa. (AP)—Lumberjack James Poole, 44, of Orrstown, was found dead with a crushed skull beside a tree he was working on in Upper Horse Valley north of here in Franklin County Thursday.

Franklin County Coroner J. D. Goshen said a 12-inch tree limb, which apparently broke off and struck Poole, was lying across the lumberjack's body.

Believe U.S. Russia Near Accord On Some Problems

The Associated Press

President Eisenhower and Premier Nikita Khrushchev came to grips today with cold war problems that have kept the world in turmoil and periodically threatened nuclear disaster for more than a decade.

Agreement on a solution for any one of these bitterly disputed issues, ranging from Berlin to Laos, was ruled out in the course of the brief two-man summit conference at Camp David, Md., although Eisenhower and Khrushchev are both looking for some new approach to further East-West negotiations.

But the American and Soviet leaders were reported near accord on measures for greater U.S.-Soviet cooperation in several fields of peaceful enterprise, including atomic energy for power production.

No Optimistic Forecasts

Such accords, if actually worked out in the mountain hideaway, could prove to be the first steps toward truce in the cold war. Yet American officials, deeply suspicious of Khrushchev's true aims, refrained from any optimistic forecasts.

The conference began Friday night after Eisenhower and Khrushchev flew to the Catocin Mountain camp by helicopter from the White house, 65 miles away. Their first talk lasted about three hours.

Nixon Joins Group

From this they turned today to debate of the Berlin crisis, disarmament, Laos, and the threat of U.S. bases near the Soviet Union versus the threat of forward Soviet forces in eastern Europe.

Vice President Richard M. Nixon, who debated with Khrushchev in Moscow during the summer, was summoned by Eisenhower to

join today's discussions.

Chairman John A. McCone of the U.S. Atomic Energy Commission was expected to take part. He and his Soviet opposite number, V. A. Emelyanov, have already laid the groundwork for an Eisenhower-Khrushchev agreement on an exchange of information about development of atomic power plants—a potential new venture in Soviet-American cooperation. Visits of scientists working on the peaceful uses of atomic energy may also be arranged.

May Bring Recommendation

Much spadework is also reported on expanding exchanges of visits between the United States and the Soviet Union by experts in education, industry and medicine.

If Eisenhower and Khrushchev can make any headway at all in their discussions of the critical Berlin dispute, the Camp David meeting may also produce a recommendation to Britain and France that a new meeting of the Big Four foreign ministers on Berlin should be called in the next few months.

The tumult and shouting of Khrushchev's American tour was temporarily suspended about 6 o'clock Friday night when the Soviet Premier stepped across the threshold of Aspen Lodge and into the quiet of its oak paneled living room.

On TV Sunday

He will reappear on the public stage Sunday afternoon, following conclusion of the Camp David talks. He is scheduled to hold an hour-long Washington news conference and make a subsequent hour-long television speech prior to his departure for Moscow Sunday night.

The St. John's University golf team, Long Island champions, won all 15 matches this spring.

Philadelphia Is Backing R.C.A.

AMDEN, N. J. (AP) — The city of Philadelphia wants to intervene as an ally of Radio Corporation of America in a suit involving collection of Philadelphia wage tax from the company.

Four union locals Friday opposed the city's petition to intervene as a co-defendant. Judge W. Orville Schallick, of New Jersey's Superior Court, adjourned a hearing until Nov. 13 so the locals could file objections.

The locals seek permanent injunction stopping RCA from turning over to Philadelphia payroll records of 2,800 Philadelphia employees.

RCA agreed last month to turn over the records when Philadelphia threatened to sue the company. The locals blocked this by getting a temporary injunction.

MEMORIALS
are golden memories
given
everlasting life

Though made of marble or granite, and surrounded by peace and quiet beauty, no monument ever stands alone. It speaks someone's love for someone lost as eloquently as though it had a voice. And it will for all time.

You will want such a memorial for your family. Symbolic in design, reverent in purpose.

We will gladly assist you in selecting one that will appropriately bespeak your sentiments.
